

Kookaburra is a 5-piece rockcoverband from Haarlem, The Netherlands, consisting of Chielie (lead vocals), Frits de Haan (guitar, backing vocals), Pim Kruijt (guitar, backing vocals), Tjeerd Gunning (bass guitar) and Lester Brunt (drums).

We prefer to play the more unexpected kind of rock cover song. Of, for instance, the Allman Brothers Band, the Black Crowes, Cream, David Bowie, Eels, Live, Neil Young, Paul Weller, The Clash, The Who, Tom Petty and The Heartbreakers and Tragically Hip.

A must for your party or fair. And quite affordable too!
